“The members of the management board in the financial year 2017 are discharged for this period.”

4. Resolution on the discharge of the members of the supervisory board

The management board and the supervisory board propose to resolve as follows:

“The members of the supervisory board in the financial year 2017 are discharged for this period.”

5. Resolution on the appointment of the auditor and the group auditor for the financial year 2018, as well as the auditor for a potential review of the half-year financial report for the first six months of the financial year 2018 and any other interim financial information

The supervisory board proposes, at the recommendation of its audit committee, to pass the following resolutions:

- “a) PricewaterhouseCoopers GmbH Wirtschaftsprüfungsgesellschaft with its registered seat in Frankfurt am Main (Munich office), is appointed as auditor and group auditor for the financial year 2018, as auditor for a potential review of the condensed financial statements and interim management report contained in the half-year financial report as of 30 June 2018 and as auditor for a potential review of additional interim financial information pursuant to section 115 para. 7 German Securities Trading Act (WpHG) for the financial year 2018.

- b) PricewaterhouseCoopers GmbH Wirtschaftsprüfungsgesellschaft with its registered seat in Frankfurt am Main (Munich office), is appointed as auditor for a potential review of additional interim financial information pursuant to section 115 para. 7 German Securities Trading Act (WpHG) for the

financial year 2019, if such review is conducted before the next general meeting.”

The audit committee has stated that its recommendation is free from improper influence by a third party and that no clause restricting the choice within the meaning of Article 16 para. 6 of the Auditor Regulation (Regulation (EU) No. 537/2014 of the European Parliament and the Council of 16 April 2014 on specific requirements regarding statutory audit of public-interest entities and repealing Commission Decision 2005/909/EC) has been imposed upon it.

6. Election to the supervisory board

Mr Ángel Vilá Boix, who had been elected as shareholder representative to the supervisory board by the general meeting on 9 May 2017, resigned from office effective 4 October 2017. Mr Ángel Vilá Boix had been elected as shareholder representative to the supervisory board until the end of the general meeting resolving on the discharge for the financial year 2021.

By order of the Local Court of Munich dated 16 October 2017, Mr Julio Estebán Linares López was appointed as shareholder representative to the supervisory board of the Company in place of the resigned Mr Ángel Vilá Boix, and is now to be elected as shareholder representative to the supervisory board of the Company by the annual general meeting.

Pursuant to section 11 para. 1 of the Articles of Association the supervisory board of Telefónica Deutschland Holding AG has 16 members, and is pursuant to sections 96 para. 1 and para. 2, 101 para. 1 German Stock Corporation Act (AktG) in conjunction with section 7 para. 1 German Co-Determination Act (MitbestG) of 4 May 1976 composed of eight members who are elected by the general meeting and eight members who are elected by the employees and at least of 30% women and 30% men. In principle, the minimum gender quota has to be fulfilled by the supervisory board as a whole. However, on the basis of a majority resolution, the shareholder representatives objected to the joint fulfilment of the quota pursuant to section 96 para. 2 sentence 3 German Stock Corporation Act (AktG) vis-à-vis the chairwoman of the supervisory board. Therefore, the minimum quota for this election has to be fulfilled separately by the shareholder representatives and the employee representatives and corresponds to at least two women and at least two men for each side. At the time of the announcement of the convening of this annual general meeting, four shareholder representatives are women and four shareholder representatives are men. On the basis of separate fulfilment, the minimum gender quota is thus fulfilled by the shareholder representatives and would continue to be fulfilled after the election of the proposed candidate.

If a supervisory board member elected by the general meeting resigns from the supervisory board before the end of his term of office, a successor shall be elected pursuant to section 11 para. 2 sentence 3 of the Articles of Association for the remainder of the term of office of the resigned supervisory board member, unless the general meeting resolves on a different term of office.

The supervisory board proposes to pass the following resolution:

„Mr Julio Estebán Linares López,
with residence in Madrid, Spain,
Member of the Board of Directors
of Telefónica Brazil, S.A., São Paulo, Brazil,

is elected as shareholder representative to the supervisory board of Telefónica Deutschland Holding AG.

He is elected for the remaining term of office of the resigned member of the supervisory board Ángel Vilá Boix, i.e., until the end of the general meeting which passes the resolution on the discharge for the financial year 2021."

The above proposal for election is based on the recommendation of the supervisory board nomination committee, takes into account the objectives set by the supervisory board with respect to its composition and strives to fill out the competence profile for the entire supervisory board drawn up by the supervisory board; it is also in line with the diversity concept pursued by the Company. As part of the setting of the objectives

for its composition, the supervisory board has provided with regard to the age limit for members of the supervisory board that the term of office of members of the supervisory board shall usually end at the general meeting following the 75th birthday of a member, unless the experience of an individual member is of particular importance for the Company and the supervisory board agrees to such an exception. Julio Estebán Linares López was born in December 1945, so that the proposed term of office would lead to the legal age limit being exceeded. However, the supervisory board attaches particular importance to Mr Linares López's membership in the supervisory board of the Company due to his many decades of experience in management positions in various areas of the telecommunications industry and would not like to forego this experience in the future and beyond his 75th birthday. Accordingly, the supervisory board approved an exception to the age limit for the election of Julio Estebán Linares López and decided to propose him for election to the supervisory board for the full remaining term of office of the resigned supervisory board member.

The CV of Mr Julio Estebán Linares López, which provides information in particular on relevant knowledge, skills and experience, is available to the shareholders from the day on which the general meeting is convened under www.telefonica.de under Investor Relations/AGM.

Information pursuant to section 125 para. 1 sentence 5 German Stock Corporation Act (AktG)

Mr Julio Estebán Linares López is at the time of this notification of convention of this annual general meeting not a member of any legally required supervisory boards, but a member of the following comparable German or foreign supervisory bodies of business enterprises:

- Member of the Board of Directors and chairman of the Strategy Committee of Telefónica Brazil, S.A., São Paulo, Brazil,
- Non-executive Director of Telefónica de España, S.A.U., Madrid, Spain,
- Non-executive Director of Telefónica Móviles España, S.A.U., Madrid, Spain.

Information pursuant to section 5.4.1 paras. 5 to 8 of the German Corporate Governance Code

The supervisory board has received assurance from Mr Linares López that he can provide the amount of time expected to carry out the supervisory board mandate.

Pursuant to the recommendation in section 5.4.1 paras. 6 to 8 of the German Corporate Governance Code the information deemed relevant by the supervisory board for this election relating to the personal and business relationships of the proposed candidate to the Company, the corporate bodies of the Company and any shareholder holding a significant interest in the Company is disclosed as follows:

Mr Julio Estebán Linares López is member of the Board of Directors and chairman of the Strategy Committee of Telefónica Brazil, S.A., São Paulo, Brazil, non-executive Director of Telefónica de España, S.A.U., Madrid, Spain, and non-executive Director of Telefónica Móviles España, S.A.U., Madrid, Spain, that are each affiliated companies to our indirect majority shareholder Telefónica, S.A., Madrid, Spain. He is also member of the Board of Trustees of Telefónica Foundation (*Fundación Telefónica*), Madrid, Spain. Mr Julio Estebán Linares López holds shares in Telefónica S.A., Madrid, Spain.

7. Resolution on the approval of the control agreement between Telefónica Deutschland Holding AG and Telefónica Germany Management GmbH

On 6 March 2018, Telefónica Deutschland Holding AG as the controlling company (controlling company) and Telefónica Germany Management GmbH with its registered office in Munich (controlled company), a wholly-owned subsidiary of Telefónica Deutschland Holding AG, concluded a control agreement.

The essential content of the control agreement is as follows:

- Telefónica Germany Management GmbH subordinates the management of its company to Telefónica Deutschland Holding AG. Accordingly, Telefónica Deutschland Holding AG is entitled to give the board of directors of Telefónica Germany Management GmbH unrestricted instructions regarding the management of its company. The

authority to issue instructions may be exercised by Telefónica Deutschland Holding AG in general or on a case-by-case basis. Telefónica Deutschland Holding AG may not issue instructions to maintain, amend or terminate the control agreement. Instructions must be given in writing. Telefónica Germany Management GmbH is required by law to follow the instructions of Telefónica Deutschland Holding AG.

- During the term of the agreement, Telefónica Deutschland Holding AG is entitled to inspect the books and balance sheets of Telefónica Germany Management GmbH at any time. The board of directors of Telefónica Germany Management GmbH is obliged to inform Telefónica Deutschland Holding AG about all business matters.
- Without prejudice to Telefónica Deutschland Holding AG's right to issue instructions, the management and representation of Telefónica Germany Management GmbH remain the responsibility of the board of directors of Telefónica Germany Management GmbH.
- Assumption of losses: The provisions of section 302 German Stock Corporation Act (AktG), as amended from time to time, shall apply mutatis mutandis.
- The control agreement is concluded subject to the approval of the general meeting of Telefónica Deutschland Holding AG and of the shareholders'

meeting of Telefónica Germany Management GmbH. It becomes effective upon registration in the commercial register of Telefónica Germany Management GmbH.

- The control agreement is valid indefinitely. It can be terminated only to the end of the financial year of Telefónica Germany Management GmbH by giving three months' notice.
- The right to terminate the control agreement for good cause without observing a notice period remains unaffected. The parties shall in particular be entitled to terminate the agreement for good cause if (a) due to a sale of shares or for other reasons the preconditions for the financial integration of Telefónica Germany Management GmbH into Telefónica Deutschland Holding AG in terms of tax law are no longer met after completion of the respective measure, (b) Telefónica Deutschland Holding AG contributes or otherwise transfers its interest in Telefónica Germany Management GmbH to another company, or (c) Telefónica Deutschland Holding AG or Telefónica Germany Management GmbH is merged, split or liquidated.
- The termination of the control agreement must be made in writing.
- Changes and additions to the control agreement require the approval of the general meeting of Telefónica Deutschland Holding AG and of the shareholders' meeting of Telefónica Germany

Management GmbH. The approval of Telefónica Germany Management GmbH must be unanimous and must be registered in the commercial register of Telefónica Germany Management GmbH. In addition, changes and additions to the control agreement must be made in writing unless notarisation by a notary is required. This also applies to the cancellation of the written form requirement.

- The control agreement contains a so-called severability clause. Should a provision of the control agreement be or become invalid, infeasible or unenforceable in whole or in part, this shall not affect the validity, feasibility and enforceability of the remaining provisions of the control agreement. The parties undertake to agree on an effective, feasible and enforceable provision in place of the invalid, infeasible or unenforceable provision which comes closest to the economic purpose pursued by the parties with the invalid, infeasible or unenforceable provision. The same applies if the control agreement should contain a loophole.

Since Telefónica Deutschland Holding AG is the sole shareholder of Telefónica Germany Management GmbH, there is no obligation to pay compensation or severance payments to outside shareholders (sections 304, 305 German Stock Corporation Act); for the same reason, the control agreement does not need to be audited by a contractual auditor (section 293b para. 1 German Stock Corporation Act).

The control agreement only becomes effective with the approval of the general meeting of Telefónica Deutschland Holding AG and the approval of the shareholders' meeting of Telefónica Germany Management GmbH and only after its existence has been registered in the commercial register of Telefónica Germany Management GmbH.

The management board and the supervisory board propose to pass the following resolution:

"The control agreement between Telefónica Deutschland Holding AG and Telefónica Germany Management GmbH dated 6 March 2018 is hereby approved."

The following documents will be available on the website of Telefónica Deutschland Holding AG at www.telefonica.de under Investor Relations/AGM from the time this annual general meeting is convened:

- The joint report of the management board of Telefónica Deutschland Holding AG and the management board of Telefónica Germany Management GmbH on the control agreement pursuant to Section 293a German Stock Corporation Act (AktG).

8. Resolution on an increase of capital from company funds, a subsequent ordinary capital reduction, the reduction of the Conditional Capital 2014/I and related amendments to the Articles of Association

Based on its annual financial statements as of 31 December 2017, the Company has a capital reserve in the amount of EUR 4,832,539,244.82. This is a so-called "tied" capital reserve within the meaning of section 272 para. 2 no. 1 German Commercial Code (HGB). This capital reserve is subject to strict restrictions under German stock corporation law on the use of the amounts, which, among other things, prevent the distribution of these amounts as dividend payments.

In order to enable an efficient equity capital management in line with the capital market requirements and to provide the conditions for a flexible dividend policy, a partial amount of EUR 4,535,097,828.00 of the tied capital reserve shall be converted into a free capital reserve (section 272 para. 2 no. 4 German Commercial Code).

The conversion of the tied capital reserve into a free capital reserve requires a multi-stage, uniform procedure: The first step is to decide on an increase of capital from company funds. EUR 4,535,097,828.00 will be converted from the capital reserve into share capital and the share capital will be increased by this amount without issuing new non-par value shares. Subsequently, the increased share capital will be reduced by the amount of the capital increase resolved upon beforehand by means of an ordinary capital reduction and thus again reduced to the original amount without changing the number of shares.

The ordinary capital reduction is carried out for the purpose of allocating the reduction amount to the free capital reserve (section 272 para. 2 no. 4 German Commercial Code).

Pursuant to section 218 German Stock Corporation Act (AktG), the Conditional Capital 2014/I will increase as a result of the capital increase from company funds by operation of law in the same ratio as the share capital, i. e. from EUR 558,472,700.00 to EUR 1,409,937,317.30. Due to the subsequent capital reduction, the Conditional Capital 2014/I shall also be reduced to the original amount.

The management board and the supervisory board therefore propose to pass the following resolutions:

a) Increase of capital from company funds

"The Company's share capital of EUR 2,974,554,993.00 is increased in accordance with the provisions of the German Stock Corporation Act on the capital increase from company funds (sections 207 et seq. German Stock Corporation Act) by EUR 4,535,097,828.00 to EUR 7,509,652,821.00 by converting a partial amount of EUR 4,535,097,828.00 of the capital reserve shown in the balance sheet as of 31 December 2017 into share capital. The capital increase will be effected without issuing new shares by increasing the arithmetical portion of the Company's share capital attributable to each non-par value share.

This resolution is based on the annual financial statements of the Company as of 31 December 2017 as adopted by the management board and the supervisory board. These financial statements were audited by PricewaterhouseCoopers GmbH Wirtschaftsprüfungsgesellschaft based in Frankfurt am Main (Munich office) who issued an unqualified audit opinion.

The management board is authorized to determine the details of the execution of the capital increase.

Section 4 para. 1 sentence 1 of the Articles of Association (Share Capital) shall be amended as follows with effect from the date on which the capital increase is entered in the Company's commercial register:

"The share capital of the Company amounts to EUR 7,509,652,821.00 (in words: seven billion five hundred nine million six hundred fifty two thousand eight hundred twenty one Euros)."

The management board is instructed to apply for registration of the capital increase from the Company's funds pursuant to this letter a) in the commercial register only, and in the order only prior to the capital reduction proposed under the following letter b), if the annual general meeting has approved both resolutions

pursuant to letter a) and letter b) under this agenda item 8."

b) Ordinary capital reduction

"The Company's share capital is reduced from EUR 7,509,652,821.00 by EUR 4,535,097,828.00 to EUR 2,974,554,993.00 in accordance with the provisions of the German Stock Corporation Act on the Ordinary Capital Reduction (sections 222 et seq. German Stock Corporation Act). The capital reduction is carried out by reducing the arithmetical portion of the Company's share capital attributable to each non-par value share for the purpose of allocating the reduction amount of EUR 4,535,097,828.00 to the Company's free capital reserve (section 272 para. 2 no. 4 German Commercial Code).

The management board is authorized to determine the details of the execution of the capital reduction.

Section 4 para. 1 sentence 1 of the Articles of Association (share capital) shall be amended as follows with effect from the date on which the capital reduction is entered in the Company's commercial register:

"The share capital of the Company amounts to EUR 2,974,554,993.00 (in words: two billion nine hundred seventy four million five hundred fifty

four thousand nine hundred ninety three Euros)."

The management board is instructed to apply for registration of the capital reduction pursuant to this letter b) in the commercial register only if the annual general meeting has approved both resolutions pursuant to letter a) and letter b) of this agenda item 8 and to ensure, when filing the capital reduction application, that it is only entered in the commercial register after the capital increase proposed under letter a) above has been entered in the commercial register."

c) Reduction of Conditional Capital 2014/I

"The Conditional Capital 2014/I that was increased as a result of the capital increase from company funds pursuant to letter a) of this agenda item 8 by operation of law (section 218 German Stock Corporation Act) to EUR 1,409,937,317.30 is herewith reduced by EUR 851,464,617.30 to EUR 558,472,700.00.

Section 4 para. 4 sentence 1 of the Articles of Association (share capital) is accordingly amended as follows with effect from the date on which the reduction of the Conditional Capital 2014/I is entered in the Company's commercial register:

"The share capital is conditionally increased by up to EUR 558,472,700.00 (in words: five hundred and fifty eight million four hundred and seventy two thousand and seven hundred Euros) by issuing up to 558,472,700 (in words: five hundred and fifty eight million four hundred and seventy two thousand and seven hundred) new non-par value registered shares (Conditional Capital 2014/I)."

The management board is instructed to ensure, when filing the application for registration of the reduction of the Conditional Capital 2014/I in accordance with this letter c), that it is only entered in the commercial register after the capital increase from company funds pursuant to letter a) of this agenda item 8, the increase of the Conditional Capital 2014/I by operation of law pursuant to section 218 German Stock Corporation Act and the capital reduction pursuant to letter b) of this agenda item 8 have been entered in the commercial register."
